

JUSTIN RICH M. DIMAANDAL

San Luis Batangas, 4210 • justindimaandal.work@gmail.com • 0961-090-6736

Professional Summary

IT graduate with hands-on experience in the Microsoft Power Platform (Power Automate, Power Apps, and SharePoint) and web development technologies. I am skilled in building workflow automation, low-code applications, and system integrations that streamline business processes, as well as developing responsive and user-friendly web applications using HTML, CSS, JavaScript, React, and PHP with MySQL. Adaptable and motivated to contribute digital solutions that enhance organizational productivity, efficiency, and innovation.

Technical Skills

Automation & Power Platform: Microsoft Power Automate, Microsoft Power Apps, Microsoft SharePoint

Programming Languages: Java, Python

Web Development: CSS, HTML, JavaScript, PHP

Frameworks & Libraries: Bootstrap, React.js, Tailwind CSS

Database: MySQL

Tools & Platforms: GitHub, Visual Studio Code, Adobe Photoshop

Projects

ONE Tingloy (Capstone Project)

- Collaborated with a team to design and develop a tourism web platform for Tingloy, Batangas.
- Built using Vanilla HTML, Angular and Bootstrap (front-end), CodeIgniter (back-end), and MySQL (database).
- Implemented features like accommodations listing, attractions gallery, and destination information.

Portfolio Website – <https://justin-dimaandal-portfolio.vercel.app/>

- Developed a responsive, mobile-first portfolio site using React.js and Tailwind CSS.
 - Integrated smooth navigation and deployed on Vercel for continuous delivery.
-

Experience

Mitsubishi Power Philippines Inc.

IT Intern

AG & P Special Economic Zone, Brgy. Bauan, Batangas

January 28, 2025 – May 9, 2025

- Designed and developed a CATAF Request and Disposal Application for the Finance Department using Microsoft Power Apps for fillable forms and SharePoint for data storage.
 - Implemented automation for generating and managing control numbers, reducing manual errors and improving request tracking.
 - Integrated Power Apps with SharePoint to centralize records, ensuring accurate and accessible data management.
-

Education

University of Batangas

August 2021 – June 2025

Certification

- **AWS Academy Graduate – AWS Academy Cloud Foundations**

(Issued Dec 1, 2024)
