JUSTIN RICH M. DIMAANDAL

San Luis, Batangas • justindimaandal.work@gmail.com • +63 961 090 6736

Professional Summary

IT graduate with an academic foundation in software development, web technologies, and automation. Knowledge of C++, Java, Python, and web development using HTML, CSS, JavaScript, React, and PHP with MySQL. I am familiar with the Microsoft Power Platform for workflow automation and system integrations, and eager to apply and expand technical skills in real-world projects.

Technical Skills

Programming Languages: C++, Java, Python
Web Development: HTML, CSS, JavaScript, PHP
Frameworks & Libraries: React, Bootstrap, Tailwind CSS
Database: MySQL
Automation & Platforms: Power Automate, Power Apps, SharePoint
Tools & Software: Git/GitHub, Visual Studio Code, Adobe Photoshop

Projects

ONE Tingloy (Capstone Project)

- Collaborated with a team to design and develop a tourism web platform for Tingloy, Batangas.
- Coordinated with the Vice Mayor of Tingloy to gather requirements, present prototypes, and integrate feedback, ensuring system usability and alignment with local tourism goals.
- Built using Vanilla HTML, Angular, and Bootstrap (front end), CodeIgniter (back end), and MySQL (database).
- Implemented features such as accommodations listing, attractions gallery, and destination information.

Portfolio Website – https://justin-dimaandal-portfolio.vercel.app/

- Developed a responsive, mobile-first portfolio site using React.js and Tailwind CSS.
- Integrated smooth navigation and deployed on Vercel for continuous delivery.

Experience

Mitsubishi Power Philippines Inc. – AG & P Special Economic Zone, Bauan, Batangas
IT Intern | *January 28, 2025 – May 9, 2025*

- Designed and developed a CATAF Request and Disposal Application for the Finance Department using Microsoft Power Apps and SharePoint, digitizing request forms and centralizing data.
- Automated control number generation and tracking, reducing manual errors and improving efficiency.
- Integrated Power Apps with SharePoint to ensure accurate and accessible data management across teams.

Education

University of Batangas
Bachelor of Science in Information Technology, *Cum Laude*
August 2021 – June 2025

Certification

- AWS Academy Graduate – AWS Academy Cloud Foundations (*Dec 2024*)
